

Internship agreement

Application

Position

The intern is being offered a volunteer position with Evidentful as Junior AI Engineer Intern.

Role

Evidentful is offering the volunteer position to the intern with the intention that it will develop the intern's knowledge and experience by enabling them to:

1. participate in the development of machine learning models with real world applications; and
2. have access to industry expertise.

To effect the intention of the relationship of this agreement described above, the Intern may be asked to perform certain tasks, which are described in the *role description* attached to this agreement. Due to the nature of the relationship created by this agreement, the intern may decline to perform any work requested by Evidentful for any reason.

Type of agreement

The internship is not covered by the Employment Relations Act 2000. This is because each party to this agreement acknowledges and agrees that:

1. the position as a Junior AI Engineer Intern is a volunteer position;
2. the position is a non-paid role;
3. Evidentful does not receive any economic benefit from the work done by the intern;
4. the relationship created by this agreement may be terminated by either party with no notice to the other;
5. there is no intention of either party to create an employment relationship in the future;
6. the work proposed to be carried out by the intern is not integral to the business; and
7. the relationship created by this agreement is limited to 90 days and the intern must not carry out more 400 hours of work for Evidentful during that period.

If for any reason, the relationship created by this agreement may or could be construed as being a relationship captured under the Employment Relations Act, Evidentful agrees

to immediately stop requesting any tasks to be performed by the intern, and the intern agrees to immediately stop performing any existing task.

Terms

Term

The relationship created by this agreement will commence on the date which the agreement is signed by both parties and will terminate on the earlier of the following events:

1. the intern carrying out 400 hours of work for Evidentful; or
2. 90 days from the date this agreement comes into effect.

The intern agrees to notify Evidentful of how many hours of tasks they perform for Evidentful a week so that the desired term of the relationship created by this agreement is upheld.

Hours of work

The intern's relationship with Evidentful is on a "as required" basis and the intern may agree to work if Evidentful asks them to. Evidentful may offer tasks during its usual hours of business of Monday to Friday, between the core hours of 9:00am to 5:00pm.

There is no obligation on Evidentful to offer work or for the intern to accept offered work.

The intern may not work more than 400 hours for Evidentful. The intern agrees that it will provide reasonable notice to Evidentful when the intern becomes aware that they are approaching 400 hours of work for Evidentful.
